By signing below, you attest that all answers given here are truthful & agree to the terms following: You hereby agree that you will not use this animal in any sort of fighting, breeding or cruelty. You will properly care for this animal for the rest of its life and are committed to its welfare & able to afford vetting needs. You understand this is a possible 20 year commitment. It is understood that The Cat Connection will supply all vetting records to you at adoption. We do not guarantee to keep records beyond that date. There is a 20\$ fee to search for/replace records. You understand and agree that we do not warranty the health of this cat(s). The animal is fully your responsibility upon adoption. You agree to hold harmless The Cat Connection and its members from any liability for injury, expense or loss associated with this animal. You also agree that if for any reason, you can no longer care properly for this animal, you will contact The Cat Connection Rescue to explain the situation and offer to return the animal to us before taking the animal to a shelter, abandoning or rehoming.
